### **The session wise bidding schedule is as under:**

Session	Zone	State/UTs under Bid	Nos. of State/UTs	Date of Auction	Start Time	End Time
First	East	Assam, Arunachal Pradesh, Nagaland, Sikkim, Manipur, Tripura, Meghalaya, Mizoram, Odisha, Bihar, Jharkhand, West Bengal	12	17 <sup>th</sup> Jul 2023	11.00 AM	12.00 PM
Second	West	Gujarat, Maharashtra, Goa, Dadra Nagar Haveli, Daman Diu	5	17 <sup>th</sup> Jul 2023	3.00 PM	4.00 PM
	Central	MP, Chattisgarh	2			
Third	South	Andhra Pradesh, Karnataka, Kerela, Tamilnadu, Pondichery, Lakshdweep, Andman & Nicobar	7	18 <sup>th</sup> Jul 2023	11.00 AM	12.00 PM
Fourth	North	Delhi, J&K, Punjab, UP, HP, Haryana, Laddakh, Chandigarh, Uttrakhand, Rajasthan	10	18 <sup>th</sup> Jul 2023	3.00 PM	4.00 PM

The auction session will consist of maximum duration of 60 min as per above schedule, apart from extension of 05 minutes each, if required. Any change in auction session/process will be informed suitably.

### **Pre-requisite for Bidding:**

Bidder should opt for States under each Zone where it is willing to do collection & recycling of plastic waste Category I, II, III & IV (LDPE, HDPE, PP, PVC, PS, Pet, Tetra, MLP etc.) on behalf of GCMMF in that particular State. So any bid quoted by a bidder for a State/States shall be deemed to fulfill our minimum EPR requirement of the bid State(s). Later on if it is found that Bidder is not able to meet EPR targets then GCMMF will have full liberty to terminate the work, forfeit SD and allot the work to other bidder/Service Provider.

Bidders can access Tender Documents and Data-on-Firm form from our website [www.amul.com](http://www.amul.com) (B2B→Vendor Registration Form for Plastic Waste Management/Tender Notice)] and provide filled Data-on-Firm with initial Earnest Money Deposit (EMD) of Rs. 50,000/- (Fifty Thousand) through at par Cheque/demand draft in favor of GCMMF Ltd. for all Zone. Bidder should also mention names of States within that Zone where they intend to undertake EPR work as per available capacity to collect, segregate & recycle post-consumer plastic waste. Currently fulfilment of EPR target is geographical & brand neutral, however Service Provider shall be given PO for State-wise quantity, for which they will raise invoices accordingly, so that incase SPCB of that particular State, if it requires EPR information, we can provide the same. The existing WMA/PWP working with GCMMF Ltd. shall also need to provide a fresh EMD & Data-on-Firm against this tender.

Bidder should send following document(s) along with first EMD amount to GCMMF office on or before the last date of receipt i.e. 30<sup>th</sup> June 2023. The interested bidders may send their requisite to our office much before the deadline for proper scrutiny of documents. We shall provide user id and login password along with Bidder manual to only **select eligible bidder** through our email address [pwm@amul.coop](mailto:pwm@amul.coop) with details about EPR quantity of the State. The self attested copies of necessary documents required with Data-on-Form are as follows:-

1. Agreement with MRFs/LBs/Gram Panchayat in the State of bid.
2. Registration with CPCB/SPCB under PWM rule.
3. Consent to operate recycling plant from CPCB/PCB under PWM rule.
4. Agreement with Cement/Power Industries for end of life cycle.
5. Copies of EPR work of other Industries/companies.
6. State-wise maximum quantity of plastic waste (category-wise) which they can collect & recycle on behalf of GCMMF.
7. Any accreditation received for plastic waste management work.
8. Duly filled & signed Vendor registration form of GCMMF.

EMD of non-eligible parties shall be returned in 30 days after scrutiny of documents/intimation and for unsuccessful bidders shall be returned within 45 days after Bid completion date. EMD of successful bidders will be deposited in GCMMF account as SD (Security Deposit) amount and will be refunded after completion/termination of work. SD shall carry no interest. The total SD amount shall depend upon the EPR quantity awarded to the bidder and binding on the bidder. The total eligible SD amount is mentioned in the MOU/agreement.

#### **Quotation Price (Service charge)**

Unit of price as service charge quoted shall be Rs. per MT (excluding applicable GST) for category-wise plastic. The base rate for quoting rates will be provided by GCMMF at the beginning of reverse auction process.

The price for service charge quoted in the reverse auction shall be inclusive of cost of collection of plastic waste, recycling, liaison with local bodies, issuing supporting documents for traceability, diversion certificate, issuance of EPR credit, replying/settling query of concerned pollution control board etc. Validity of service charge rate will be for a minimum period of 03 years.

#### **Auction Method (Reverse Auctions)**

1. The auction consists of a single session round for States falling in a Zone. The duration of the session will be of max 60 min followed by max 05 min of extension each for every bid received from any bidder in the last 05 min before end of the session round. Likewise total 5 such extensions of 5 min shall be provided. The supplier will have to bid for its selected State/Zone during the session for which GCMMF will intimate the estimated plastic waste in advance before start of bidding. The supplier may modify the bid as many number of times till the closure of the auction session.
2. During an auction session, the bidder may modify his quote only downward in the auction. Minimum decrement is Rs. 10 per MT.
3. No cancellation of Bid shall be allowed once the auction session is concluded. However, during the session timings, bidders can modify (downwards only) their bids number of times and last bid shall be final.
4. The final results of the Reverse Auction are binding on all the bidders and any request for cancellation received after the conclusion of an auction session shall result in forfeit of the EMD.

5. Any bid placed using the bidder's username and the password shall be deemed to be an unconditional binding of the bidder to whom such username and the password has been allotted, inter-alia, for the purpose of the Reverse Auction and the bidder shall be solely and fully responsible for all the activities that occur under such username and the password before the Auction and is advised not to reveal it to anyone else so as to prevent misuse of the same.
6. GCMMF reserves the right to cancel/change the reverse auction without assigning any reason thereof.

### **Bid Evaluation**

Bids shall be evaluated by GCMMF after closure of Reverse auction. GCMMF at its sole discretion may award entire or maximum quantity of one particular State/States to the L1 bidder provided satisfactory evidence/details was submitted to us about having required or quoted recycling capacity directly/indirectly for the GCMMF's. As per PWM rules the bidder should have a good network of plastic waste collection involving MRF/local bodies in the State of bid. GCMMF will have full discretion to allot work of recycling of remaining quantity to L2, L3 and so on bidders at the rate of L1 bidder.

### **Commencement of EPR Work**

The recycling work needs to be started by the successful bidders from the date informed through work allotment letter/email of GCMMF & duly executing MOU with GCMMF.

### **Payment Terms**

Payment shall be released within the 30 days upon submission of acknowledged proof/required documents to establish traceability of recycling done for GCMMFL and diversion certificate along with original invoice. The submission of bills to be made as per suggested periodicity (like monthly/quarterly etc) in the letter of allotment. The EPR credit should be received by us on our portal for the EPR quantity done in the previous invoice before release of the next invoice, once system of providing EPR credit is made online, fully operational and within timeline.

### **Duration of Contract**

**Duration of contract shall be 03 year from the date of issue of order.** In case of any non compliance of any terms & conditions mentioned in the agreement, the either party can terminate the contract by giving one month advance notice to the other party.

### **Dispute Resolution**

In case of dispute about any terms of this deed, same shall be resolved by mutual negotiations between the parties within 15 days of such dispute. If not resolved then it shall be referred to court at Anand which shall have exclusive jurisdiction.

### **Scope of work/Deliverables:**

1. Execute and assist GCMMF in achieving its general scheme of implementation of EPR Action plan for post-consumer plastic waste collection and sustainable disposal.
2. Shall establish a system for collecting back the plastic waste or multilayered packaging generated due to products of GCMMF.
3. Shall have a system for the collection, segregation, transportation, recycling & disposal of all category of plastic waste (Rigid/Flexible/MLP/Compostable etc.) which falls under plastic waste as per PWM Rule 2016 as amended and in accordance with prevailing EPR CPCB guidelines.
4. Bidder should ensure compliance with provisions of the PWM Rules, 2016, as amended or any of the provisions of the Environmental (Protection) Act, 1986 as amended and rules there under.

5. Waste collection from all small and large waste generators- household, commercial establishments, scrap dealers, waste aggregators and waste pickers.
6. Ensure that the plastic waste shall be properly segregated, packed and sealed to prevent any mix up and spillage of waste during transportation.
7. Create an auditable chain for end to end disposal of energy recoverable & recyclable waste which must be entirely traceable.
8. PRO, Waste Management Agency, Transporter and PWPs/Recycler/ Re-processor all are equally responsible for environmentally sound management of plastic waste. Ensure collection and movement of waste is as per manifest system of local State PCB and maintain its records.
9. In case of transportation of plastic waste through a State other than the State of origin or destination, it should be executed/implemented with proper documentation.
10. Submission of quarterly progress report clearly indicating quantum achieved vs EPR liability to concern Govt. organizations including SBM, SPCB/CPCB. The collection data of plastic waste must be endorsed/verified from MRF/ ULBs/collection Centre/PCBs.
11. GCMMF will require the acquiring of EPR credit, diversion certificate, acknowledgement receipt of cement plant/other plastic recyclers, third party audit reports that would define the closed loop for plastic waste collection and its sustainable disposal as per applicable PWM rules.
12. Creating awareness with stake holders, State & central Government towards EPR initiatives of GCMMF.
13. Motivating consumers for their participation in this initiative of Recycling of plastic.
14. Bidder shall ensure that plastic waste is sent to only PWP/recyclers registered with CPCB/SPCB/PCC or to cement industries having permission from concerned CPCB/SPCB/PCC for co-processing of plastic waste. Ensure sustainable waste disposal and in compliance with statutory regulations for environmental protection.
15. Provide EPR credits for End of life cycle MLP/plastic waste co-processed as RDF or used for pyrolysis or recycled etc.
16. Extend full cooperation to GCMMF for the audit of traceability documents/process as & when required.

**Bidder must have at its disposal:**

1. Must be registered with CPCB/PCB under PWM Rule 2016 as amended for recycling of plastic waste and recycling plants should have a valid Consent to Operate from concerned PCBs/CPCB.
2. PRO/Waste Management Agency must have own/tie ups/agreement with PWPs/recyclers & co-processors having valid registration with CPCB/SPCB.
3. Tie ups/agreements with MRF/Urban Local Bodies/Nagar palika/Gram Panchayat/collection centres etc for collection & plastic waste disposal as per PWM rule in the State of Bid.
4. Adequate facilities for collection, segregation, storage, transportation and disposal for plastic waste management with necessary approval as per Plastic Waste Management rules, 2016, wherever is required.
5. System for Plastic waste collection from all small and large waste generators- household, commercial establishments, scrap dealers, waste aggregators and waste pickers.
6. Ability & capacity to process sufficient waste per day as per our requirement of that State where bid is made.
7. Potential to process all category of plastic waste as per manner prescribed by CPCB/SPCB.
8. Tie ups with cement industries to co-process non-recyclable multilayered plastic.
9. To maintain the records of collection network, collection centres, valid MoU with recyclers or local body.
10. To maintain records of EPR liability, collection, storage, segregation, transportation and disposal details individually for every Brand Owners.

11. In case of MOUs with collection centre and/PWP or recyclers ensure to have valid registration.
12. Ensure movement of waste is as per manifest system prescribed by CPCB/ concerned PCBs.
13. Waste Management Agency/PWP/Recycler is equally responsible for environmentally sound management of plastic waste.
